Budoucnost vypadá bledě, pokud nebudeme tahat za jeden provaz. Zatímco jsou všechny zraky světových elit upřeny na Donalda Trumpa, Theresu Mayovou a na migrační krizi, lidstvo čelí mnohem závažnějším hrozbám. Abychom to ale zvládli, musíme zbořit bariéry mezi národy, ne je stavět. Cestou vpřed je spolupráce.
